International Webinar

On

Covidity and Mobility: Reinvigorating Future Urban Transport

Date : 18th July, 2020

Time : 3 pm (onwards)

Organized by

Department of Geography in collaboration with IQAC, Kidderpore College

The progressive journey of human civilization in the era of the Covid-19 pandemic has already started with new challenges and strategies. Transport, being the most susceptible sector for disseminating the disease has been affected significantly from the very beginning. But different parts of the world have already started applying various sustainable mobility techniques in the New Normal environment to continue the pace of development. In this context, this International Webinar will focus on the evolving crisis and cures of the Transport Sectors in the era of the Covid-19 Pandemic across the world with special reference to the Indian scenario. The Department of Geography, Kidderpore College welcomes you all to be a part of this International Webinar on 18th of July, 2020; 3 pm onwards.
