

Pandemic and Society: Its Impact on Education

In this transition period of the human civilization, we are passing through this period, we at Kidderpore College going to publish a book. We cordially invite abstracts within 300 words for original research articles, for an ISBN book to be published by our institution. The proposed title of the ISBN book would be “*Pandemic and Society: Its Impact on Education*”. Since the proposed ISBN book would be a multi-language, multi-discipline edition, abstracts may be sent, in any of the four languages, namely English, Bengali, Hindi or Urdu, pertaining to any of the following subthemes:

- a) *The depiction of pandemics in works of literature belonging to any of the four languages, namely English, Bengali, Hindi and Urdu.*
- b) *The impact of the pandemic on society.*
- c) *Pandemics in History, History of Pandemics.*
- d) *The economic and commercial implications felt on the society, due to a pandemic.*
- e) *The science behind the origin and spread of a disease, which makes it a pandemic.*
- f) *The deep impact of pandemics on the field of education imparted at all levels.*
- g) *The role of media during pandemic.*

Abstracts could also be sent on other issues relating to pandemics and its impact on society and the educational system, that have not been mentioned in the above subthemes.

All abstracts must be within 300 words, typed, and mention 5 keywords. In addition to this, all abstracts must be accompanied by a 200 words bio of the author, as well as any co-authors.

The last date of sending abstracts is **26th September, 2022** to the following email id kdpc.journal@gmail.com . Intimation of acceptance of abstracts would be conveyed by **12th October, 2022.**
