To Whom It May Concern

The Institution has a well managed system of Students' Aid Fund to provide financial assistance to the students of the underprivileged classes to facilitate the completion of their graduation course. But due to the raging pandemic the Institution has not been able to arrange for Student Aid since due to the induced lockdown the College remained closed since March 16, 2020 till the time the intensity of the pandemic surged downwards. After the College resumed its normal activities efforts were made to revive the Students' Aid Fund. In the session 2022-23 attempts were made to identify the really financially underprivileged students and relieve them from paying the fees of examination under the University of Calcutta.
