## Freeship Policy

The College provides fees concession to the underprivileged and economically backward students. The students who intend to avail this facility have to submit application to the Principal. The academic performance, class attendance, the family income and the economic situation of the concerned student are examined carefully. Accordingly the Principal discusses the issue with the Head of the concerned Department and takes the final decision of providing concession to the student in distress. In certain cases where the student is extremely miserable the Principal exercises his discretionary power and provides concession to the student to ensure the humane face of the college.
